CLEVELAND.COM AND THE PLAIN DEALER NAMES EMC PRECISION A WINNER OF THE NORTHEAST OHIO TOP WORKPLACES 2023 AWARD

Elyria, Ohio, June 25, 2023 - EMC Precision has been awarded a Top Workplaces 2023 honor by cleveland.com and The Plain Dealer Top Workplaces. The list is based solely on [employee feedback](#) gathered through a third-party survey administered by employee engagement technology partner [Energage](#) LLC. The confidential survey uniquely measures 15 culture drivers that are critical to the success of any organization: including alignment, execution, and connection, just to name a few.

“Earning a Top Workplaces award is a badge of honor for companies, especially because it comes authentically from their employees,” said Eric Rubino, Energage CEO. “That's something to be proud of. In today's market, leaders must ensure they're allowing employees to have a voice and be heard. That's paramount. Top Workplaces do this, and it pays dividends.”

"Our team is truly honored to be recognized as a Top Workplace. It is a testament to the dedication and hard work of each and every member of our organization. We are proud of the positive culture and supportive environment we have worked hard to cultivate," says Bob Graney, Chief Operating Officer.

"This award is a reflection of our employees who embody our values of building strong relationships, integrity, excellence, and innovation on a daily basis. We are truly grateful to be able to attract and retain such talented individuals and remain committed to creating a workplace culture that fosters growth, development, and mutual respect", added Jeff Ohlemacher, Chief Executive Officer.

ABOUT

Since 1925, EMC Precision delivers high complexity, close tolerance precision machined parts and assemblies in low to mid-volume quantities. We are perfectly equipped to serve customers who need a high volume of precision-machined parts in a short amount of time.
